Contenu

Description

RTE on behalf of CIDAC (Celtic Interconnector Designated Activity Company) wishes to contract a Marine Geoscience Specialist (MGS) for the engineering and construction phase performed by the Cables Contractor on the Celtic project until 2027 . The MGS will be in charge of providing sound technical expertise in geoscience to CIDAC, especially in relation with the burial and protection of the Cables.

DATE ET HEURE-LIMITE : 24 MARS 2023 12H
