La convention 2024 Wind Europe se tiendra à Bilbao

Image

From **20-22 March**, WindEurope's annual on- and offshore wind energy event will be heading to Bilbao for a three-day conference and exhibition. You can expect 10,000+ attendees to join us for a look at the shape of European wind energy today. There'll be dozens of conference sessions, hundreds of speakers, and 400+ exhibitors from the whole value chain looking to showcase their innovations and seal new deals. We'll have social events across the event for you to reach out to new colleagues and educational sessions showing you all the ins and outs of wind energy. And plenty of time in between it all to sample all the gastronomic and architectural delights Bilbao has to offer!
